

GENEROUS

Prevailing churches are built on the shoulders of people with legacy mindsets.

Once a year we do Generous, which is more than just a series; it is an opportunity to give over and above our regular tithe. Sometimes our tithe becomes our ceiling, but really, our tithe should be our floor and our giving then goes way beyond. It becomes the springboard to jump into greater depths and greater impact through our giving. It allows us as a church to go beyond the maintenance of a building, or the running costs of doing church and positions us to greater influence our world with the love of Jesus.

We would love to invite you to be a part of Generous 2018. We know this will not only affect you as you step out of your comfort zone and allow yourself to be stretched, but will also affect the vision, longevity, and influence of the church. As well as our location specific areas, we have the opportunity to invest into Church Planting, Red Frogs, the Solomon Islands and Quick Fits. Our prayer is that you would pray and consider what part you can play in partnering with us on this significant weekend.

From here:

1. **PRAY-** What is God asking you to give/pledge in Generous? Allow Him to speak to you about how you can be invested in this opportunity.
2. **DECLARE-** Bring in your Generous Giving Card on Generous Sunday (June 3rd). There is power in steadfastness to a commitment. Encourage others on their faith and stewardship journey with scripture and testimony.
3. **ACT-** Continually bring your pledge and financial stewardship before God throughout 2018.

Remember, our God is good, and we are thankful for what He has entrusted us with at Elevation. Be assured that we take the responsibility very seriously of administering all resources in a godly manner throughout Elevation and we thank you for partnering with us in this vision.
